

Blessings Connect Leaders-

This week we are discussing how some pretend to be righteous but their motives are completely to destroy Christ and His credibility.

Please take attendance and receive the missions offering. Blessings
Pastor Steve

Connect- Who can you follow up in your group this week. Who needs a call? Who needs a coffee? Who can I call and encourage to keep up the good work? Prayer needs to pray for this week? How will I make people feel welcome when they arrive at the meeting? Ice breakers?

Grow- Here is my journal entry for discussion. Invite your group to share their entries on this week's journaling after this one is handled.

Title- "Pretended to be righteous"

R-Lk 20:20 So they watched *Him*, and sent spies who pretended to be righteous, that they might seize on His words, in order to deliver Him to the power and the authority of the governor.

E- There are people whose goal is to spy and make Christ an offender for His words. They pretend to be righteous but their motive is the destruction of Christ.

A- The righteous hearken to listen to Christ's words for direction. I desire true righteousness and seek to honor Christ.

P- Help me Father to shun pretend righteousness. I pray In Jesus Name.

Go- Give announcements and focus yourself and your group on ministry opportunities. What will I do this week to advance the Kingdom of God?

Early morning prayer- 7:00am to 8:00am Monday through Thursday.

All Church Prayer- Tuesdays from 6:30 pm to 7:30 pm

Pray for the kids going to Generation unleashed this weekend.

Note- Open spaces in the notes are in order for you to use a pen or pencil and jot down your personal notes and plans for the upcoming week or for the upcoming connect group.
